Snow Removal Is Major Problem On Old Highways

State Hands County Old 40 For Maintenance and Snow Clearance

Just how Nevada County will handle the terrific job of snow removal on highways deeded back to them by the state following the adoption of the new freeway, is a matter of considerable concern to the board of supervisors.

Alan Hart, district highway engineer, explained to the supervisors that the state is responsible for snow removal only where the area had been developed for winter sports.

There are abandoned highways all the way from the Nevada state line to Donner Lake and from Soda Springs far down the western slope of the Sierra which do not fall into this category and which the county has no choice but to maintain.

Hart explained the situation to the board at the mid-monthly meeting last week and as a result County Road Commissioner Robert Graham was authorized to purchase a rotary plow and a push plow at a cost of $56,000.

While some money for snow removal will be forthcoming from the state, there is no way to determine just how much nor can it be estimated how far it will go in solving the knotty problem. With a light winter, there may be sufficient money, men and equipment to handle the situation but with even a normal winter, doubt remains that the county can adequately handle the matter. No cost figures are available.

There are some sections of the abandoned highway which may be left, but there are miles of inhabited areas served by the route of old Highway 40 for which the county is responsible.

Supervisor H. G. Loehr of Truckee said he is troubled over the situation and will seek every possible avenue of relief.

Rumania, 9; Spain, 6; Switzerland, 22; South Africa, 4; Turkey, 2; Yuogslavia, 2.

Ticket and housing information may be obtained by contacting Olympic Winter Games, San Francisco 5, California.

MAN FINED $50 FOR UNAUTHORIZED FIRE

David Berger of Truckee was fined $50 Tuesday morning when he appeared in Judge Fosten Wilson's court for violation of 4153, burning without a permit, charged by the Tahoe Forest Service.

The fine was levied as the result of a fire which started in Berger's automobile while he was working on it near La Siesta Motel Monday. The Forest Service and Truckee Volunteer Fire Department responded to the call.

Jerry Sproule of Hayward was fined $250 in the local justice court Tuesday for being in illegal possession of deer meat.

LOEHR PURCHASES POLYANICH HOME

Mr. and Mrs. Henry Loehr have bought the A. B. Polyanich house here and Mrs. Polyanich has bought a house at Reno, Nevada.

Mrs. Polyanich will occupy her new residence by the first of December and plans to visit here frequently where she has property and friends.

Visiting Family—

George Kenyon, now serving in the navy, is enjoying a leave and visiting his family before being assigned to a permanent post.

New Officers Are Installed By O.E.S. In Ceremony Here

Mrs. Margaret Craig and Sam Faulkner were installed as worthy matron and worthy patron of Truckee Chapter No. 116, Order of the Eastern Star at installation ceremonies held Saturday, November 21 at Masonic Hall.

Louise Anderson and Dan Anderson were the installing officers assisted by Lillian Miller and Mickey Mandeville, as installing marshals Dorothy King, chaplain; Ametta Firpo, organist; Bud Mandeville, flag bearer and Lydia Craig, Bible bearer.

Host and hostesses were James and Victoria McIver.

Officers installed beside the worthy matron and patron were Virginia Doyle, associate matron; Paul Doyle, associate patron; Hilda Hintz, secretary; Victoria McIver, treasurer; Ruby Faulkner, conductress; Elsa Culbertson, associate conductress; Estelle Klitzke, chaplain; Pearl Heller, marshal; Anita Allison, organist.

Joyce Patterson, Adah; Ruth Goss, Ruth; Phyllis Snyder, Esther; Dorothy Rose, Martha; Marguerite Lobnow, Electa; Georgia Blatchley, warder and Charles Heller, sentinel.

Piano selections were rendered by Miss Blatchley of Yuba City. Delicious refreshments were served at the decorated tables where the appointments were in blue and silver with a centerpiece of a pastoral scene with a flock of grazing lambs.

MRS. WEINAND WILL OPEN LOCAL OFFICE

Hertoghe & Associates, adjusters and investigators of Reno have announced the opening of a branch office in Truckee.

In charge of the new office will be Mrs. Bessie M. Weinand, who has been associated with the firm since the first of the year. The firm feels that she is well qualified to take charge of the local office.

Mrs. Weinand has received her diploma from Universal Schools, Inc., in claim investigation and claim adjusting,also her certificate of proficiency from the National Detective Academy, passing both with honors.

Business will be handled here at the Wilson Insurance Agency and at Mrs. Weinand's home on a 24-hour basis.

NEW MEMBERS ARE FETED BY CHURCH

KINGS BEACH—The new members of the Community Methodist Church were honored last Sunday afternoon by a reception in the parsonage home of Rev. Earl Langguth in Kings Beach. This followed a morning worship service which saw fourteen persons unite with the local church; these included:

Mr. and Mrs. John S. Corbin, Dorothy Day and Carol Lee; Mr. and Mrs. Hal Love; Mr. and Mrs. Phil Edwards, Jr.; Miss Sandra Fellows; Miss Lynn Staben; Mrs. Jack Tennesen; Mr. Kris Felte. Also receiving into affiliate membership was Mr. and Mrs. Art Mueller.

Another class of members will be received in succeeding weeks.

DELLA BURLINGHAM ON IMPROVED LIST

Mrs. Della Burlingham was reported much improved following an operation last week. Her friends expect her early recovery of good health.

Her daughter, Mrs. William Ramsey of Hawaii, the latter's son and wife, Mr. and Mrs. Wililam Ramsey of San Diego and her sister have been visiting at the Burlingham home.

TV SHOW TO FEATURE SCENES OF SUMMIT

In the next Walt Disney Presents series, scheuled for TV viewers on Saturday, December 6, local audiences will see scenes taken on Donner Summit last February. The title of the show will be "A Storm Called Maria," and in it are personnel of the division of highways and the California Highway Patrol.

CUBS TO MEET

A meeting of Cub Scout Pack No. 7 will be held at the High School cafeteria Monday, November 30 at 7:30 p. m. All cubs and others interested are urged to be present.

Plan To Convert Squaw Facilities For School Probed

Beaches and Parks Studies Plan to Utilize Valley For Classes

At their meeting in Santa Barbara last week, members of the California Park Commission discussed procedures whereby the state university may take over administration of Squaw Valley.

This possibility has also been under consideration by the California Olympic Commission but no definite action for or against was taken since legislation would be necessary to make the change.

The park group voted to confer with Squaw Valley authorities before its scheduled conference with the state assembly ways and means committee December 10. The park commissioners hope to work out an orderly transfer of the property after the winter games next February.

A proposal to utilize some of the valuable structures for university purposes was suggested by A. Andrew Hauk, vice chairman of the California Olympic Commission several weeks ago.

Triangle Murder At South Tahoe

BIJOU—Love triangle jealousy apparently exploded into a brutal slaying at Tahoe Valley early Monday as the slain, nude body of Ralph Eugene Matthew, 23, was found on a couch of a married woman's home.

Key suspect is the woman's husband, Edward Kirk, 35, who is being sought by the El Dorado County sheriff's office.

The victim was found shot twice in the hand and head by a .32 caliber automatic pistol. The bullet entered the cheek and ripped through the top of his head, apparently as Matthews slept in the home of Mrs. Ann Kirk.

The body was found by Henry Piche, co-partner with the Kirks of a barbecue restaurant on Highway 50 in Al Tahoe. Piche went to the home when Mrs. Kirk failed to show up at work at 6 a. m. yesterday.

Neighbors told deputies that Edward Kirk a 5 feet 8 inches, 190 pound man, was insanely jealous of his wife's alleged love trysts with Matthews. Only last week he had beaten her savagely, deputies learned. The Kirks had been feuding and were separated at the time of the murder.

Also sought by deputies for questioning is Mrs. Kirk, 25-year-old pony-haired blonde, who disappeared sometime after the middle-of-the-night slaying. Her car was still parked on the lawn of their Tahoe Valley home. In Mrs. Kirk's garage was the victim's car.

MOTHERS OF TEAM TO HOLD FOOD SALE

This Saturday at Duane's Donut and Coffee Shop, mothers of the Wolverines will have a bake sale to raise funds to send the boys to the Green Bay Packers Game which is set for December 13.

An exciting day is planned for the boys and the mothers estimate they will need at least $10 per boy which will take care of their ticket to the game, the trip down and a nice dinner on the way home. The boys will probably take a nose bag lunch so let's all get in and buy a cake or something and show the boys they are appreciated for the terrific football they played this fall.

OES TO HOLD MEET ON DECEMBER 1ST

Truckee Chapter No. 116, O.E.S. will meet December 1 in a stated meeting. Margaret Craig, worthy matron and Sam Faulkner, worthy patron, will preside.

This will be the first meeting for the newly installed officers. Elsa Culbertson, with her committee, will be in charge of refreshments and Lillian Miller will be hostess for the evening.

At Big Game—

Major and Mrs. Robert Edwards spent the weekend at Palo Alto and went to the Big Game at Stanford. They are entertaining house guests for Thanksgiving, Mr. and Mrs. Bill Irwin, Mr. George Monaghan and Mike Bimbo.

SUNBEAMS

By WALTER M. BARRETT

Truckee may well give thanks this Thanksgiving for its efficient and willing volunteer fire department. Several times recently these men have demonstrated their ability and have saved much of the town from destruction. Most recent was the garage fire at Gateway when in the cold, early morning hours the firemen turned out and again proved their importance as an organization to the community. We certainly extend them our most sincere thanks.

There was considerable disappointment expressed when the Tahoe Truckee Wolverines failed to defeat the powerful Winnemucca football team and thus win a trip to Las Vegas to play for the championship, but in our opinion no excuses are in order. The boys played a good brand of ball all during the season and brought credit to the school, their coach and themselves. This week's bouquet goes to a fine group of boys who did their best.

The new freeway offers added temptation for local people to shop away from home, but by the same token, the freeway makes it possible for more people to come to Truckee to shop, so we'd say off hand that there will be an even break. Most solid, sound-thinking citizens will continue to trade at home, realizing that only through their patronage of local tradespeople can the community survive, and we sincerely urge that everyone make this a real trade-at-home Christmas. The progressive merchant will see to it that prices are right and merchandise above par and he will profit, rather than lose, from the new roads.

JOYCE SLATE FETED AT BRIDAL SHOWER

Miss Joyce Slate was feted Monday at the home of Mrs. Ben Lobnow, Donner Lake at a miscellaneous bridal shower, following her betrothal to George Davis.

The guest of honor opened the gifts under two white bells and another note of interest was added in that the decoration on the cake, a bride and groom, was the same which previously adorned the wedding cake of her mother and father, Mr. and Mrs. Roy Slate. Mr. and Mrs. Abb Davis of Truckee are the parents of the future benedict.

Friends and relatives of the newly engaged couple present at the affair included Mesdames Nace Firpo, Dan Horman, Abb Davis, Eugene Welch, Charles Sciutto, Nelson Stone, James Harris, Roy Slate and Misses Nelda Gulling, Vickie and tSephie Firpo and Mrs. Estelle Thomas.

A church wedding, set for early December will take place at Reno, to be attended by members of the families.

COMMITTEE TO HOLD ELKS AFFAIR NAMED

Herb Neidig, chairman of the North Tahoe Sierra Elks Lodge Ladies Night, has announced the following committee members: Tony Donadio,, Pete Vanni, Frank Giovannoni, Walter Finke, Johnny Richards, Bob Moore, Steve Korich, Wiley Jones and Lloyd Everett.

The buffet supper dance will be held Saturday night, December 5 at the Crystal Bay Club and is open to members of B.P.O.E. Lodge No. 2140 and their ladies and guests.

Any of the above committee have tickets on hand for the evening of dining and dancing. Proceeds from the evening will go to the lodge building fund.

FORMER LODGE HEAD EXPIRES IN CAPITAL

Funeral services were held in Sacramento Monday for Mrs. Mildred Carswell, 80, a former local resident and a past matron of Truckee Chapter, Order of Eastern Star. Attending the services from Truckee were Mrs. Pearl Heller, Mrs. Margaret Craig, Mrs. Lillian Miller and Mrs. Craig's mother, Mrs. Grace Simpson who is visiting from Pasadena.

Large Gain Seen In Local Schools During This Year

Increase of 279 Students In District Schools, Report Shows

There were 1450 students enrolled in the Tahoe Truckee Unified District during October, compared with 1171 for March, this year, according to a survey released this week by County Superintendent of Schools Al Bequette.

This represents a gain of 279 children as compared to last year.

While the tabulation showed a loss of 144 in the high school, this is accounted for by the fact that this year the seventh and eighth grades of the district's schools were taken from the high school enrollment and returned to their respective schools.

By the same token, the increase in the elementary classes went from 690 in March to 1113 for October.

Regardless of the switch of students there was a gain of 279, a much greater increase than in any other of the county's 30 schools. However, the Sierra College showed almost as much of a gain with 271.

Placer County as a whole showed a net increase of 1253 students.

District Governor Will Visit Lions

District Governor John Langhans will visit Truckee Lions Club on Dec. 2 at 7:30 p. m. Heading District 4-N, Lions International, which includes 31 clubs in Nevada and 2 clubs in California, District Governor Langhans will advise and assist President Slim Thompson, Secretary R. W. Seibold and the officers, directors and members of the club on matters pertaining to Lions administration and the Lions program of service.

Langhans has been active in the Sparks Lions Club since 1952 and served the club as tail twister and director before becoming president in 1954. He also served the district as zone chairman in 1955-56, Inter-Club Activities chairman in 1956-57, Constitution and By-Laws chairman in 1957-58. Langhans was selected as deputy district governor in 1958-59.

Langhans is one of the 347 district governors who supervise the activities of over 14,000 Lions Clubs. Lions International was formally founded in 1917 in Dallas, Texas, and during the past years has become the largest, most active, and fastest growing service club organization in the world. There were on June 30, 1959, Lions Clubs in 97 countries or geographical locations of the world.

Truckee Lions Club is an active unit of the International Associationof Lions Clubs which is dedicated to community betterment in all its aspects and to the promotion of International understanding and amity. In all these fields. Lions International has won strong influence and prestige because of its countless constructive services.

WORK COMPLETED ON NEW SEWER PROJECT

Work has been completed on the new sewer disposal line in the Trout Creek area, J. J. McGlade, secretary for the Truckee Sanitary District, announced this week.

The project, long overdue, was installed at a cost of approximately $5,000 and will serve half a dozen families.

This property has long been in the sanitary district and the owners have been paying a sanitary tax for a number of years but because of various reasons it has been impossible to complete the work before now.

FORMER TRUCKEEITE KILLED IN ACCIDENT

Mrs. Fern Oiler, 50, of Golconda, Nevada, was killed when the auto she was driving left a rural road and overturned six miles south of State Route 8A leading to Denio.

The deceased and her husband were former Truckee residents. It is believed that Mrs. Oiler was enroute to visit her husband at a mine he was operating when the accident occurred.

Six Are Injured In Series Of Vehicle Crashes In District

Six personal injuries as the result of motor vehicle accidents were reported by the California Highway Patrol during the past week.

Howard Pyle, 31, Tahoe City, was hurt when his car ran off the shoulder of Highway 89, two miles north of Tahoe City last week and overturned.

Mr. and Mrs. Carl E. Burns of Tahoe Valley were taken to the Tahoe Forest Hospital last week after he lost control of their car four miles south of Tahoe City Friday afternoon. He told officers that a cat in the car jumped onto his shoulder causing him to lose control and the car was wrecked.

Bruce A. Nelson, Huntington, West Virginia, was hospitalized when he lost control of his car on Donner Summit and struck the observation bridge.

Albert Fink of Norden was hurt when the brakes locked on his car four miles south of Tahoe City, causing the vehicle to get out of control.

Rita Smith, employed as a waitress at Donner Lake Lodge, was hurt Tuesday morning when her car got out of control and ran into a ditch one mile north of Tahoe City on Highway 89. She was taken to the Tahoe Forest Hospital with a broken arm.

CHAMBER GETS $250 FOR DONNER RACES

The Nevada County Board of Trade approved a request from the Truckee Donner Chamber of Commerce for $250 to assist in defraying the expenses of the Donner Lake Regatta last July, but the action was not unanimous.

Chairman Dale Smith protested the payment on the grounds that the request was made in October for a July function and said that it degraded the board by taking the attitude that this is the place to come for handouts at any time. Chronological thinking is important, he added. When a function of this type has been conducted and completed, the board of trade is not to be approached for a donation, he said.

Merritt Nickerson, a commercial photographer of Sacramento appeared before the board regarding Nevada County's exhibit at the state capitol and suggested more up to date colored pictures of various parts of the county be placed on the exhibit. No action was taken pending more study of the matter.

The present display has been in the capitol for the past five or six years.

MAY-AH-MEE LODGE AT TAHOE IS SOLD

TAHOE CITY — The historical May-Ah-Mee Lodge at Tahoma, between Tahoe City and the Tahoe Wye at Lake Tahoe has been sold to a local investment group for $250,000.

It will be transferred into a luxury lodge, motel, stores, and huge boat harbor representing a $1,000,000 investment program.

Al Conley, Oakland and Tahoe City realty broker negotiated the transaction for the investors, Jaeyer Investment Corporation, and Daniel C. Harrington, president of Moore Machinery Co., Emeryville.

The present lodge will be retained for use during the 1960 Olympics and after that will be torn down to make way for the new buildings.

A total of eight acres including aproximately 1,000 fet of lake frontage are involved in the expansion.

TAX DISCUSSION TO BE MEET FEATURE

KINGS BEACH — Everyone interested is invited to attend a meeting of the North Tahoe Community Club at Carpenters Hall at 8 p. m. Wednesday, December 2.

Harry Hooper, the club president, will preside at the meeting which will be devoted partly to a discussion of the new proposed business tax being planned by the Placer County Board of Supervisors.

Back From South—

Mr. and Mrs. Richard Walker have returned home after spending a wek visiting with friends in Los Angeles.

Costly Fire Razes Garage, Homes In Area In Danger

Several Vehicles Burned As Firemen Battle Early Morning Blaze

Fire, apparently starting in the shop, early Tuesday morning completely destroyed the B&B Truck Parts, formerly the Gateway Garage, together with seven or eight vehicles stored therein.

The fire started about 5 a. m. and quickly spread through wood-lined galvanized iron structure, burning thousands of dollars worth of truck parts and tools as well as the vehicles, including a large logging truck and several smaller vehicles, valued at thousands of dollars.

The Truckee Volunteer Fire Department quickly responded to a call put in by Harry Stout, who was attracted by a passing motorist who yelled loud and long to gain attention. The firemen prevented the flames from spreading to nearby homes and confined it to the garage in which the fire had gained such headway that it was impossible to save anything.

As a result of the fire, the power and telephone lines immediately in the rear of the structure were burned and the entire community in that vicinity was without service until repair crews corrected the situation.

Rolland Gautsche suffered minor burns on one hand when he managed to get his car out of the garage. However, the vehicle was badly damaged.

The building was owned by Richard Joseph of Gatewav and was leased by William Benish, who operated it as a truck repair establishment.

The fire attracted scores of spectators and residents of the immediate area were prepared to leave their homes as the woods in the district are particularly dry.

Thanks of the entire community was extended to the firemen who worked hard to prevent a more tragic conflagration.

Plan To Release Pigeons At Games

What will happen if 2,000 pigeons, symbols of the "doves of peace," are released at the Olympic Winter Games at Squaw Valley next February?

Will they survive the icy blasts and return to their snug homes at Sacramento or will they perish in the cold and storms of the Sierra?

These are questions which have created quite a stir in Sacramento, according to a by-lined story in the Sacramento Union.

Opinions vary with local pigeon fanciers contending that the birds could withstand the cold barring storms. Others believe the plan a cruel one, with one man declaring "they might as well eat them and get some good out of them as turn them out up there."

It seems to be a matter of opinion but the pigeons haven't been consulted.

SQUAW MONEY WELL SPENT SAYS JOHNSON

Rep. Harold T. Johnson, who as a state senator led the fight to brings the 1960 Winter Olympics to California, said Friday the state's $7,990,000 investment was money well spent.

Johnson keynoted a luncheon meeting of the State Chamber of Commerce Sacramento Valley Council by tracing the history of the Olympics in California.

"The Olympic facilities are going to be part and parcel of our state park system," he said. "No state park facility has ever paid back its cost."

Johnson said he understood all state-constructed facilities at Squaw Valley, site of the Olympics, will be returned to the state park system after the games are ended and used as a park and for winter sports.

FAS FUND ALLOCATED FOR COUNTY PROJECT

Apportionment of $12,642,360 in state and federal funds to California counties for construction on county roads included in the Federal Aid Secondary System was announced today by the state department of public works.

The allocation, which is for the 1960-61 fiscal year, includes $8,388,160 from the federal government and $4,254,200 in state matching funds.

Nevada County's share for 1960-61 amounts to $89,754, of which $52,066 is federal money and $37,688 from the state highway budget.

Federal funds for county roads and state matching money are distributed to the counties according to federal and state regulations.

The federal funds are apportioned to the various counties according to the formula used by the federal government in distributing federal aid secondary funds to the states—one-third on the basis of area, one-third on rural population, and one-third on mileage of certain classes rural mail routes.

The money from State sources is for the use of the counties in matching the federal funds on the basis of approximately 58 per cent federal to 42 per cent local funds.

BEST METHOD IS TO YIELD RIGHT OF WAY

"It is better to yield than to take the right-of-way."

So commented Sergeant F. H. Snyder, officer-in-charge of the California Highway Patrol's Truckee substation today in discussing driving faults that usually have disastrous effects.

"Violation of the right-of-way provisions of the vehicle code is second only to excessive speed as the cause of traffic accidents," Snyder continued. "Probably the most frequent violation of right-of-way occurs at intersections that have neither traffic signals nor stop signs.

'Highway patrol records show during 1958 more than half of the collisions at intersections causing death or injury were between vehicles entering the intersection from an agle. Someone failed to yield the right-of-way in all of these accidents."

Sergeant Snyder suggested that if all drivers took the attitude that if there is any doubt at all the other fellow has the right-of-way, intersection collisions would soon be reduced to an absolute minimum.

Slightly more than 53 per cent of all the commercial forest land in California is government controlled.

P. O. Tahoma, Lake Tahoe

It's ski-heil, God-speed and good luck to young Jimmy Heuga of Lake Forest. Jimmy is one of 13 skiers named to the U. S. team training squad at Aspen, Colo. Mr. and Mrs. Pete Heuga are driving Jimmy east where he will train for two months. Jim just turned 16 a month ago and this is quite an honor for him and for Tahoe. He has skied the U. S. and brought home many trophies to attest to his skill. Out of the 13 trainees, eight will be chosen to represent the U. S. team at the Olympics. Jimmy's specialty is the slalom. All his friends will be holding their thumbs and wishing Jimmy luck.

Little Mildred Steinhauser of Tahoe City advised me that the second grade at Tahoe Lake School has been busy writing stories about the Pilgrims at Thanskgiving,and practising for the Christmas play. The children will sing Silent Night in Spanish and the Carol of the Birds, among other selections.

* * *

Marge and Ray Fellows and Jack and Betty Starratt enjoyed the Riverside Hotel ice show which is a salute to the Olympics. They say this show really puts one in the "Olympic mood" what with the flags of the participating nations flying and the flashing ice show.

* * *

Mrs. Donald Graham, formerly at the Tahoe City library, has left for Priest, Calif., where her husband, Don, has been transferred by thehighway department. Pending the selection of a new librarian, Mrs. Ruth Jones has been substituting.

* * *

On Tuesday the Soroptimists met for dinner at the Crystal Bay Club. MarieHenry led the meeting with a talk on the American Red Cross and the use of first aid. An amusing skit was presented with a tongue-in-cheek, heaven-help-the-victim satire on the "rights" and "wrongs" of first aid application. Participating in the skit were Beulah Carnell, Marge Fellows, Marty Rieck and Helen Beaverson.

* * *

Ivy Brown, Tahoe City, was busy broiling a 25-inch, four pound mackinaw she caught in the lake, when we dropped by. Her son, Marvin Mendoca is now stationed in Alaska with the navy.

Many Tahoe summer residents returned to the lake for the long Thanksgiving weekend. Mr. and Mrs. Herb Dana were at Tahoma. Judy Murphy, daughter of the J. Phillip Murphys of Piedmont, entertained a group of friends at their Squaw Valley home. Mr. Hank Alrich of Lincoln has been enjoying the fall days at Tahoma.

* * *

Director of community relations for the 1960 Winter Olympics, Bob McMahon, reported that Olympic requests had increased tremendously as a direct result of the boosters Pacific coast tour made by leading Reno businessmen to disseminate information and make friends for Reno and the surrounding vacation area.

Don't forget the Women's Club Christmas party and potluck luncheon, Dec. 3 at Mrs. Eunice Henriksons, Tahoe City.

* * *

Mr. and Mrs. Joe T. White of Tahoma entertained their family for Thanksgiving at their Carmichael home. Gathered for the festive day were Mr. and Mrs. Jack Holt, Carmichael, Mr. and Mrs. Joe T. White, Jr., Berkeley, Mr. and Mrs. Paul White, Carmichael and seven grandchildren.

Regular practice for the Corpus Christi Children's Choir of 20 members is being held every Tuesday and Friday evening from 7 to 8:30 p. m. at the church. The children are preparing the special Christmas midnight mass music. Directors are Mrs. Richard Carnell and Mrs. Pete Vanni, organist.

Lt. Gen. Robert M. Cannon, commander of the U. S. Sixth Army, inspected the work his troops are doing at the Olympic Games site recently and came away well satisfied. The troops number 143 and are preparing communications to be used during the games. The figure will be increased to about 600 during the games. The Army considers this work a training assignment for mountain and cold weather activities.

* * *

Sure signs of the Christmas season: a letter addressed to Santa Claus found in the mail recently. and the twinkling Christmas lights beginning to gleam in the trees along Highway 89 into Tahoe City.

* * *

Mrs. Opal Gratner, Tahoma, and Mrs. BerniceBean, Tahoe City, were hosts to the Brownies last Tuesday, serving them cookies and punch. The Brownies made turkeys out of pine cones. Mrs. Betty Starratt and Mrs. May Morris are the Brownie leaders.

* * *

Al and Lu Watts of Fallon are at Tahoe Pines while Al is working at Squaw Valley.

* * *

The Claude Cowans of Tahoma are enjoying a visit from her mother, Mrs. Gracia Harvey of Los Angeles, and were happy to have another daughter, Mrs. Alex Gribbon and son, Christopher, from Glendale, join them for Thanksgiving.

* * *

The forecaster's dire predictions of light snow may not be fatal. Reminds us that it pays to advertise. In Boston, Mass., last spring, an enterprising committee in charge of the U. of Mass. Winter Carnival placed a want ad in the Boston Globe: "Desperately needed—a six-inch snowfall." They got it. Might help to try an ad in the Sierra Sun.

* * *

Mrs. Jack Smith returned after her trip east to close Tahoe Cedars Lodge until February when it will reopen for the Olympics.

* * *

Bob Lynch, caretaker at Meeks Bay, is reversing a trend. He doesn't make those good hamburgers for nothing during the summer. On Thanksgiving he cooked up a big turkey and all the trimmings, as host to his sister, Mrs. Joe Hammond, her husband and children Craig and Scott, from Davis.

* * *

Mr. and Mrs. Edmund A. Thompson of Sugar Pine Point Lodge have returned after a short trip to the Bay Region, and glad to get back, says Ed. It was easy to leave that smog for the clean air of Tahoe.

THAT'S A FACT

DONNER SUMMIT NEWS

By DONNA I. POWER

BAND SUPPORT

At Thursdays meeting of the Donner Community Club the group voted to correspond with the Olympic committee regarding an official band for the coming wintre games. Ross Price, Tahoe Truckee High School band leader, has been working for the past two years with no avail to have the Truckee High School band declared the official high school band for the events. Other bands in the area also have the same ambition. The community club feels that public support may be desirable and hopes other service groups will get on the "band wagon." It is felt that the Tahoe Truckee High School Band well deserves the honor and privilege.

SUMMIT SIT

The date for the next meeting of the Summit Sit has been postponed from Wednesday, November 25 to Tuesday, December 1 to better fit the plans of hostess Olga Lyddane.

TURKEY TROT

A theme centered around the approaching Thanksgiving holiday was selected by the upper grade students of the Donner Trail School for their second school dance of the season. The planning committee members, Bunny Board, Sherman Williamson, Nancy Burchfield, Marcia Sult and Barbara Lyddane decorated the entire room with traditional turkeys used in many ways. Mothers furnished cakes which were sold with punch. The money collected is to be used to purchase school athletic equipment. The evening came to a climax when dancers selected partners for a dance contest. The winning couples were Brad Heckle with his partner Roberta Kaisor, Bill Strickland with Barbara Lyddane as his partner, and a very good waltz couple Kenny Kaisor and his lovely partner Lynn Aro.

COMMUNITY CLUB MEETS

Thursday evening in the Donner Trail School the Donner Community Club held its November business meeting. Vice President Mrs. Betty Board conducted the meeting in the absence of President Al West. Mary Williamson took over the duties of the secretary in the absence of Betty Hampton. Plans were begun for the annual community Christmas party which will be held December 16 in the Donner Trail School. A committee was appointed to serve refreshments and to purchase Christmas stockings to be filled and given to the children.

FIRE COMMITTEE MEETS

The problem of fire protection for the Donner Summit area is again in the minds of the residents. In an effort to begin working toward a local fire department a committee of Bill Cannon, Brad Board, Bing Fitch and Keith Lummis met Monday evening at the Sierra Club. Because the area is in two counties the distric attorney of both Placer and Nevada counties have regulations which must be met when such an organization is formed. Current feeling is toward a trained volunteer fire fighting crew. A means of raising funds must be developed and carried out. These are only a few of the many problems which must be met by the committee before the fire department is a reality.

SQUARE DANCING

Square dance caller Lloyd Everett of Trucke has offered to teach square dancing to those of the Donner Summit area who would enjoy the activity. A group of at least eight couples is desired. The organizing meeting has been set for Monday November 30 at the Donner Trail School beginning at 8 p. m. Bill Cannon of Soda Springs is in charge of making the necessary arrangements. Mrs. Francis Dragoo of Big Bend Ranger Station has offered to provide piano accompaniment for the dancers.

TROUBLED TIMES.—The happy spirit of Thanksgiving week has completely escaped this group of gloomy gobblers as they ignore the overtures of a lad from Hanna Boys' Center, the Western "boys' town" near Sonoma, Calif. The youngster checked over the melancholy birds on a Valley of the Moon turkey ranch prior to the Thanksgiving dinner celebrating the tenth anniversary of the home for underprivileged boys.

BANK OF AMERICA BUYS SCHOOL BONDS

A Bank of America N. T. & S. A. underwriting syndicate last week purchased the $390,000 bond issue of the Tahoe-Truckee Unified School District, Placer and Nevada counties.

The Bank of of America group paid a premium of $231 for a combination of 5% and 4¼% bonds, or a net interest cost to the district of 4.348%. The bonds were reoffered to investors to yield from 3.25% to 4.35%, according to maturity Dec. 15, 1961-1979.

Bank of America N. T. & S. A. and its underwriting syndicates have bought more than $650 million of California state and municipal bonds in the past 12 months, providing funds for public improvements required by the state's expanding economy.

TAHOE TRUCKEE SCHOOL NEWS

KINGS BEACH SCHOOL

KINDERGARTEN: The following boys and girls have been working with "Rhythm Band" instruments in learning songs for Thanksgiving: Eddie Gurney, Jeff Hoffman, Teresa Cotrone, Jodi Johnson, Mike Fontana, Chris Grillman, Katie Gaswint and Cindy Anderson.

FIRST AND THIRD GRADES: The first grade have made a play store. They are all enjoying the store. First grade 100 per cent in spelling were: Victor Heard, Michelle Plevel, Molly Wall, Becky Anderson, Susan Leon and Margaret McDonald.

SECOND GRADE: During social studies, we wrote class stories titled "Our Fierchief Curly Mason" and "Our Postmaster Mrs. Howard." Gary Price illustrated the first story and Jimmy Baxter the second.

Twenty-eight second graders received 100 per cent in our spelling test this Friday.

THIRD GRADE: We have been keeping food charts this week and we will classify them as to the seven basic foods.

SIXTH GRADE: We also have a choir from fourth through sixth grade. The ones in our room that are in the choir are Beverly Bergman, Sandra Nyblom, Cathy Whitehead, Rondi Thorwaldsen, Loreta Barnett, Jill De Sylva, Bruce Templeton, Paul Abrahamson, Wayne Petty, Phil Thompson, Rickie Miller, Vern Wing and John French.

TAHOE LAKE SCHOOL

KINDERGARTEN: The kindergarten children have completed a booklet of free hand drawings, telling the story of Thanksgiving.

FIRST GADE: Our top readers this week who have started in the new primers are: John Geyer, Bonnie Nyberg, Yvonne Baker, Lanny Karcher, David Thomson, Sherry Freeland, Jackie Ghormley, Carl Ruhkala, Stephen Kilbourn, Steven Cross, Marlene Lisle, Paula Henrikson, Paul Corona and Julie Howard.

SECOND GRADE: Leslie McBride, Christina Keehn, Sharon Christenson, Carl Larson, Karla Meixner, Colleen Howard, Jimmy Kaastrup, Sally Starratt, Laura Hoxsie, Sandy Smart, Mindy Bechdolt, Jeanne Jones, Mark Davis and Patty Barngrove all made 100 per cent in their spelling test this week.

SECOND AND THIRD GRADES: Deborah Lawlor is a new girl to our class this week. Deborah is originally from New Zealand.

The second and third graders have been very busy this week making mosiacs of Pilgrims for Thanksgiving. Our mosiacs are of beans and split peas.

THIRD GRADE: In our six week test in language the following people made 100 per cent papers: Shirley Gratner, Debbie Schindler, Mike Schader, Vernice Bean and Jim Orr.

Mike Larsen and Mrs. Larsen celebrated his tenth birthday by treating the class to cup cakes and ice cream on November 19.

FIFTH GRADE: Top honors in a recent public speaking exercise went to Jack Melugin. Also turning in very good work were Shirley Conston, Daryln Doolittle and Teresa Stewart.

SIXTH - SEVENTH GRADES: We were sorry to lose David Douglas and Jim Breitengross.

A special report on Caranauba Wax was turned in by Gilbert Sandoval.

Virginia Laughlin turned in a report on Central America.

David Sorani turned in a report on Greece.

Class officers for the past month were Terry Stark, president; Curtis Funk, vice president; Judy McGwinn, secretary.

SEVENTH GRADE: Four people made 100 per cent in our spelling test. They were Pat Shane, Chuck Spillner, Marcia Leamon and Susan Knapp. Our editors: Glenda Stark, Marcia Leamon, Susan Knapp, Mike Sauby, Julie Householder, Mike Ingalls, Pat Shane.

DONNER TRAIL SCHOOL

UPPER GRADES: The "Turkey Trot," the upper grades November dance, was held at the school Friday night. The dance contest winners were: Roberta Kisor and Bob Heckle, first place; Barbara Lyddane and Bill Strickland, second place; Lynn Aro and Kenny Kisor, third place. The children at Donner Trail enjoyed having the numerous guests from Truckee Elementary School who also attended.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Adjourned Meeting
November 17, 1959
Present:
John T. Trauner, Clerk
Wm. J. Cassettari,
Deputy District Attorney

The meeting was called to order by the Chairman of the Board at 10 o'clock a. m., and all members of the Board were noted as present.

The minutes of the previous meeting were read to the Board, by the Clerk and a motion was made, duly seconded and passed unanimously, approving the minutes as read.

The Auditor presented the Board with a claim from the State Division of Highways in the amount of $250.00 to be used in traffic striping on the Brunswick Road, and a motion was made, duly seconded and passed unanimously, directing the Auditor to draw his warrant payable to the Division of Highways in the amount of $250.00.

At this time the estimates were presented to the Board from interested persons relative to conducting the annual county audit for the fiscal year ending June 30, 1959, and a motion was made by Supervisor Robinson, duly seconded and passed unanimously, to award a contract to David Hartman, CPA.

The Clerk was directed to notify Mr. Hartman of his appointment.

A letter from the Truckee Chamber of Commerce was read to the Board in regards to placing signs along the new Highway 40 and over the Truckee River, and after a short discussion with the Board further action on the request was deferred pending a more complete study.

A motion was made by Supervisor Loehr, duly seconded and passed unanimously, approving the Auditor's report and ordering the report filed.

Mrs. Margery Worth, County Welfare Director, appeared before the Board and entered into a discussion on personnel problems in her office, and the matter was referred to the Welfare Committee of the Board of Supervisors for decision.

Upon the written request of the Directors of the Nevada Irrigation District, and upon a motion made by Supervisor Smart, duly seconded and passed unanimously, the directors of the said district were authorized to be absent from the State of California from November 17, through November 20.

The Clerk presented the Board with an agreement for the fiscal year 1959-60 from the Department of Veteran's Affairs to provide a subsidy for the operation of the Veteran's Service Officer from the State Funds, and a motion was made by Supervisor Loehr, duly seconded and passed unanimously, authorizing the Chairman to execute the agreement on behalf of the County.

Mr. Clare Hughes, Purchasing Agent, appeared before the Board and rendered a report on various projects within the County, and notified the Board that the Veteran's Memorial Building re-roofing job had been completed. The Clerk was directed to file a Notice of Completion.

The Purchasing Agent then requested thatthe County Auditor be authorized to audit the Purchasing Agent's revolving fund and a discussion ensued wherein the Auditor explained that he did not have the authority to audit any funds that were not under control of the Board, or in the Treasurer's Office. A motion was then made by Supervisor Smart, duly seconded and passed unanimously, authorizing and requesting the County Auditor to audit the Purchasing Agent's Revolving Fund every 90 day period.

At this time a motion was made, duly, seconded and passed unanimously, to adjourn for lunch.

AFTERNOON SESSION

The Board reconvened at 1:30 p. m. and it was noted that all members of the Board were present.

Mr. A. T. Parsons, Planning Consultant appeared before the Board, and entered into a discussion on Proposed Ordinance 234 amending the existing Ordinance within the county. After the Ordinance was presented to the Board, by the Clerk a motion was made by Supervisor Loehr, duly seconded and passed unanimously, to adopt Ordinance No. 234.

Mr. Peter Ingram, a representative of the Grass Valley Junior Chamber of Commerce, appeared before the Board in regards to the Supervisorial re-districting Committee, and the Supervisors of the First, Second and Fourth District appointed their representatives on the Committee. The Supervisors from the Third and Fifth Districts did not have, at this time, the appointees names available, but would be able to make the appointment at the December 1, meeting.

Mr. Robert Graham, County Road Commissioner, appeared before the Board and rendered a report of the activities of his department, and requested that the Assistant Road Commisisoner, Mr. W. M. McCormack, be granted a leave of absence for a period of 30 days from November 24, 1959. A motion was made by Supervisor Smart, duly seconded and passed unanimously, placing Mr. McCormack on a leave of absence for a 30 day period commencing November 24, 1959.

Mr. Graham then entered into a discussion with the Board on the purchase of a Snow plow and truck and a Sno Go. After a short discussion a motion was made by Supervisor Robinson, duly seconded and passed unanimously directing the Clerk to issue a Minute Order to the Road Commissioner, authorizing the Road Commisisoner to purchase a snow plow and truck and a Sno-Go.

Mr. Alan Hart, District Engineer, Division of Highways, Marysville California, appeared before the Board and informed the Board that the State of California would not be able to assist the county in any manner in the snow removal problem on the relinquished portions of Highway 40. A discussion ensued therein between members of the Board and Mr. Hart.

Mrs. Carlos McGuire appeared before the Board with Mr. Dahl Larsen in regards to exchange of deeds on county property at the Veteran's Building in Nevada City, and the Matter was referred to Mr. Cassettari for his legal opinion.

Mr. Preston Wright, appeared before the Board wit his surveyor Mr. Grimm and entered into a discussion about the Olympic Heights Subdivision, particularly as to whether or not the roads therein shall be termed county roads or private roads. A lengthy discussion ensued, and Mr. Wright presented the Board with a bond in the amount of $35,000 to guarantee bringing the roads up to county specifications. A motion was then made by Supervisor Loehr, duly seconded approving the map of the Olympic Heights Subdivision showing the roads therein as county roads. Upon a roll call ballot, the following vote was recorded.

First District aye
Second District aye
Third District no
Fourth District no
Fifth District aye

A motion was then made by Supervisor Loehr, seconded by Supervisor Smart to adopt Resolution 59-59 accepting the Roads in the Olympic Heights Subdivision into the county road system. Upon a roll call ballot, the following vote was recorded:

First District aye
Second District aye
Third District no
Fourth District no
Fifth District aye

At this time a motion was made, duly seconded and passed unanimously to adjourn, to meet again Sine Die.

STATE AUTO DRIVERS USE HUGE AMOUNTS FUEL IN PAST YEAR

SACRAMENTO—(CNS) — Californians used enough gasoline in the fiscal year ended last June 30 to drive 66 billion miles, or the equivalent of a round trip to the moon, two and a half times each week for a year.

They consumed enough alcoholic beverages to put the whole state into orbit.

Statistics released by the state Board of Equalization on distribution of high-test motor fuel and alcoholic beverages for the fiscal year are truly astronomical. Taxable distributions of motor vehicle fuel totaled 5,404,847,000 gallons for the year and alcoholic beverage distributions totaled 274,178,000 gallons for the year.

At an average mileage of 15 miles per gallon, this provided California motorists with some 66 billion miles of travel during the year.

The beverage sales broke down as follows: beer, 219,426,000 gallons; distilled spirits, 24,886,000 gallons; and wine, 29,766,000 gallons.

On a consumption basis, this amounted to 146 cans of beer, 212 shots of distilled spirits and 64 glasses of wine during the year for every one of the state's 15 million residents.

The six-cent-a-gallon gasoline tax brought in $324,290,820 during the year, of which $21,409,514 was refunded for non-highway use.

Distilled spirit sales, while smallest in volume, accounted for the bulk of tax collections on beverages, totaling $37,329,000. Taxes on beer amounted to $4,391,676, and on wine, $674,541.

Gasoline distributions showed a 5.6 per cent climb over the previous record fiscal year.

In beverage sales, the overall gain was 8.9 per cent. Individual gains included 9.1 per cent on distilled spirits, 8.5 per cent on beer and 2.7 per cent on wine.

LIGHTING PROJECT AT STATION IS STARTED

Installation has started of highway lighting facilities at the eastbound agricultural inspection station now under construction on the new U. S. Highway 40 freeway about two miles west of Truckee just south of the high school, state division of highways officials announced today at the Marysville district office.

In addition to the mercury vapor lighting system, special color-corrected mercury vapor lamps will be installed in the immediate area of the inspection station.

The job is expected to be completed within six weeks. No detours will be required and traffic will pass through the zone with a minimum of delay or inconvenience.

The L. H. Leonardi Electrical Construction Company of San Rafael is the contractor, having submitted a low bid of $5,999. Kenneth D. Brandow has been assigned resident engineer to represent the division of highways on the job.

DRIVERS WARNED ON PASSING SCHOOL BUS

A flashing red light is the signal which the law requires all California drivers to look for when approaching a school bus. Marked on the front and rear by the words "school bus" in letters at least eight inches in height, the vehicles are clearly discernible. According to the National Automobile Club, there should be no question about the proper time to pass such a bus. The flashing red light a bus displays means that all vehicles must stop until the light has ceased flashing.

In order to pick up children or to let them off at appointed stops the flashing red light serves as a good warning to all motorists. The meaning of this signal is stated with an authority of quiet and earnest terms. Children with all of their playfulness and sudden activity are near, and the light serves to tell everyone to get ready for the unexpected.

With the specifications of the law as clear as they are, the motorist may add for himself one more requirement when he is driving in the vicinity of a school bus. Carefulness in overtaking a school bus will protect the motorist from any accident that might arise and will protect him as well from the terrible burden of perhaps having caused harm to children.

When highways have separate roadways, a motorist need not stop for the flashing signal if it comes from a bus in the other roadway. The driver of a vehicle need not stop upon meeting or passing a school bus when the latter is stopped at an intersection or place where traffic is controlled by a traffic officer or official traffic signal.

WEATHER

The beautiful autumn weather has stayed with us, temperatures ranging in the 50 and 60 mark in the afternoons. A few clouds, Sunday, but we hope it will remain nice over the Thanksgiving holidays.

HONORED

The many friends in Reno and Lake Tahoe of Dick Evans are delighted to learn that he has been selected by the City of Youngstown, Ohio, as "Athlete of the Year." Youngstown, a community of some population, has turned out many great athletes and sports figures. It annually honors one who has made a name in sports in either the current year or in some past season. Dick represented Youngstown in the 1920's and early 30's when he was one of the busiest scrappers in the middleweight division. He fought five world champions during his long career. A banquet is already being planned for the first week in June. The elated Reno ex-boxer is slated to fly back to Ohio in a few days to confer on plans for the banquet, to be photographed, interviewed and cut up old touches. Dick will receive a gold plaque from the 'Hall of Fame' which is indeed a great honor. He and his brother Ernie Evans who was Dick's manager) own the Eastside Inn on East 4th St., Reno. We are proud to have the Evans' boys and their famiies as neighbors to us on Brassee Avenue here in Kings Beach, where they spend as much time as possible. Congratulations and best wishes 'Dick.' The banquet will be saddened at the sudden passing of Maxie Baer, who was a great friend of Dick's and was to be one of the honored guests at the coming event.

BELATED NEWS

We are sorry to have missed telling you a couple of weeks ago of the arrival of a grandson to Admiral and Mrs. J. S. Crenshaw of Crystal Bay. The proud parents are Captain and Mrs. G. H. Broyer, army medical corps, at the Pugway Proving Grounds at Pugway, Utah. Congratulations Admiral.

BACK AGAIN

Sam and Audrey Harrison stole a march on us, coming up last Thursday to open up their home on Brassee Avenue. They will be up for a week or two and are elated with the beautiful weather and the peace and quiet of the mountains after the noisy San Francisco.

NEW HOME

Tony and Eve Donadio of the Sky Lodge at Tahoe City held a delightful open house party at their new home last Sunday afternoon. Cocktails, refreshments and fun were the order of the day.

WELCOME

Had a nice visit with Bert (Wingy) Grober of the Cal Neva Lodge, who was here for a few days. Sure was nice to see him—made us think of the good old summer time.

LEFT

It is with regrets that we hear that our good friend Dick Brennan has parted ways with the Nevada Lodge at Crystal Bay. Dick really put the lodge off to a good start, was very popular with everyone that he came in contact with. We wish Dick and his family the best in whatever his new venture might be.

PREPARING TO STAY

Paul Goodman of the Monte Carlo went down to Las Vegas to pick up his belongings so that he can stay up here from now on. Paul Adamco, chef, is now serving the same delicious meals. See ad in this paper.

ARTISTIC

Doctor Allen Sklar has been busy lately building a very artistic wall right in front of their sweet little home on the Brockway hill.

LOSES FATHER

On the 9th of September Mr. James R. Quinn,, father of Carmel Throop, passed away at his ranch of a heart attack. He lived near Cordova, Calif. Mel and Carmel went down to attend the funeral. Then we hear that Carmel unfortunately pulled a heart muscle while working at the school and was laid up for a while. We are glad to report that she is recovering nicely and wish her the best from now on.

SHORT VISIT

Lloyd Barnes with a friend Bob Ziemer of Richmond, stopped by to visit us last weekend. We were glad to know that Lloyd's mother, Ella Mae Blake is feeling much better.

NEW BABY

Mr. and Mrs. William J. Biggs are very proud of their month old baby boy. Mrs. Biggs is the daughter of Mr. and Mrs. Ray Bolzerick of the Pine Pantry, Kings Beach.

If peace were sold in stores we'd all be regular customers!

No kidding—it's true, isn't it? If peace could be bought from a store, we'd all order a lifetime supply!

But since it's not that simple, millions of us cross our fingers and hope that peace will work itself out. But wishing won't make it so, either. Peace takes planning. And peace costs money.

Money for military strength, for science, for education. And money saved by individuals to keep our economy sound.

POST OFFICE WILL BE OLYMPIC VALLEY AT SQUAW SAYS DEPT.

Winter sports fans and innumerable governments may recognize Squaw Valley as the site of the Winter Olympic Games, but the U. S. Post Office Department does not.

As far as the post office is concerned, the Games will be held at "Olympic Valley, Calif."

That is the designation all mail addressed to the postal unit to be established at the Games site should bear.

The postal officials' cold shouldering of the popular name for the Olympic Games site was made plain by Verne Scoggins, regional operations director of the post office.

Scoggins, while scotching rumor that a decision had been reached regarding the reopening of a post office in the Squaw Valley area of Fresno County, said the department recognized that area's prior claim to the name.

"As a consequence," he said, "there is no official postal recognition of Squaw Valley as the name of the site of the Winter Olympic Games. The correct address for mail that will be delivered by the post office to be established for the Winter Olympic Games will be 'Olympic Valley. Calif.'"

Scoggins said there was a "Squaw Valley, Calif." post office in Fresno County until 1945.

REYNOLDS SPEAKER AT ROTARY SESSION

TAHOE CITY—James Reynolds, principal at Tahoe Lake Elementary School was guest speaker at the November 17 dinner meeting of Tahoe City Rotary Club. His subject was the American language and he told how our words may become abstract and often misunderstood as the meaning varies according to circumstances. He gave examples of how certain words affect people either for good or bad according to the understanding of the meaning of the word and tone of voice of the person speaking. It was a new and most interesting subject accord to expressions voiced by club members.

Before adjournment of the meeting, Ed Bean, local manager of the telephone company told of a project that he and lake wide residents are working on to provide a television repeater station on Mt. Rose or Slide Mountain for the purpose of good reception from national broadcasting companies. He said the $20,000 installation cost would be by contribution as well as an approximate $2,000 a year maintenance cost. Ed said the people contacted are strongly in favor of the project if it would give them snow-free reception from such channels as NBC, CBS and ABC. Ed said he explained the project in detail recently to the Truckee Donner Chamber of Commerce.

Club members expressed their interest in the proposition since there is but one station giving snow-free reception and they would like a broader choice of programs.

Twenty-seven members attended the meeting. There were no visitors or guests of members. Bill Bechdolt presided.

CARD OF THANKS

DONNER DOINGS

By VIRGINIA O'BEAR

Since this is the week we celebrate Thanksgiving, I would like to take this opportunity to wish everyone a happy one. We all have a lot to be thankful for at Donner Lake and I do not mean just the food that we will be putting on our tables. We have our families, our friends, our ambitious organizations who are improving Donner Lake, the beautiful lake and mountains and so many things that we just take for granted each day. Even though I will be celebrating a Thanksgiving dinner in Santa Rosa with relatives, my heart will be at Donner Lake as I have found it is the place for me.

Mr. and Mrs. Walter Oertwig of San Francisco were up the past week inspecting their brand new home that they recently purchased from Mrs. Grace Heitz of Healdsburg. They have returned to San Francisco but are looking forward to the day when they can come up and stay awhile.

* * *

We have some new neighbors now. Gennie Marshall and her daughter Starlett White have bought the home that the Frank Stewarts were living in. We haven't gotten acquainted yet as they have been busy moving and getting settled and I have been up to my ears with oil painting. One of these days I am going down for a coffee break as I was invited.

Mr. and Mrs. Roger Brown are moving to Downieville within two weeks with their family as Roger received a promotion with the state division of highways. They can't find a place to rent there so they said they may have to end up buying one. They have been living in the Arthur Johnson home here at Donner Lake.

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department met at Donner Lake Lodge last Thursday night and enjoyed a delicious chicken dinner. Many members brought guests and several members from the Truckee Firettes were welcomed. The next meeting is scheduled for December 17 at Donner Lake Lodge and I imagine it will be an enjoyable one since everyone will have the Christmas spirit. Mrs. Virgil Harris, Mrs. R. L. (Shorty) Harris and Mrs. L. C. Brooke have planned a Christmas party and everyone attending will take a gift not to exceed $1.00. Other particulars will be announced later as plans for the party progress.

Frank Whitear and Joseph Corro, members of Donner Lake resorts, made a trip to Sacramento Monday to confer with members of the Fish and Game Commission. It was regarding the Kokanee in Donner Lake and results of the trip will be reported at the next meeting which is scheduled for December 6.

TNT TIDINGS

The first Senior Dress Up Day ever held at Tahoe Truckee was quite successfully put on by the class of 1960, Wednesday, November 18. The girls dressed in pretty dresses or suits and high heels, while most of the boys dressed very hansomely in slacks and jackets. The girls looked very collegiate and the boys took on an executive air.

Lunch, prepared by Miriam Zwarg and Ava Glenn was served to the Seniors at a long, decorated table in the center of the cafeteria by the following Juniors: Jimmie Heuga, Tony Calcagno, Bill Notley, Mike Robinson, Judy Bacon, Donna Barnes, Marlay Pelletier, JoAnn Pomin and Stephie Firpo.

Basketball season is just around the corner and practice for all prospective Varsity and J. V. candidates started Monday, November 23.

Our football teams made a fine showing for Tahoe Truckee. Now we will have two basketball teams to back. Only two weeks until the first game.

Dr. Ben King was the guest of student council last week and he introduced the idea of having a teen center for all high school students to attend for recreational purposes. He said that the Truckee Lion's Club was interested in sponsoring such a center if the students showed any interest in it. A committee of three students: Debbie Bradley, Bennie Ferrari and John Stephani, was appointed to look into the matter as members of the Council were very much in favor of having a teen center.

Opinions from the general student body are being sought and will be presented to the Council in the near future.

The members of the California Scholarship Federation had a successful car wash in Truckee, Kings Beach and Tahoe City. It lasted from noon until 3 o'clock Sunday and was well attended.

A speakers club has been started for all those wishing to improve their ability in all types of public speaking and debating.

There are many scholarships and other prizes waiting for students who are skilled speakers.

The club meets once a week, after school. The first project in which some of the members are interested, is the Lion's Club Speakers Contest.

Members to date are: Doug Ball, Kaytie Corbin, Vickie Firpo, Varien Frey, Joanna Johnson, Marilyn Plevel, Cynthia Reynolds, Woody Ribal, aPt Saarni, Donna Stumbo and Sherry Thatcher.

NO HUNTING LICENSE INCREASE PREDICTED

No increase in fishing and hunting license fees or tax is necessary or contemplated in the foreseeable future by the California Department of Fish and Game, according to William E. Warne, department director.

"Reports that a license increase in the next year or two is imminent because of lack of funds are not true," Director Warne stated. "The department's surplus has increased materially to more than $4,000,000 since the increase two years ago, and our long range plans are keyed to maintaining a reasonable balance between income and outgo without increased fees."

The director pointed out that the budget for the 1960-61 fiscal year has not yet been formalized by the governor's office, but that as it was proposed it calls for no major drain on the department's reserve operating fund nor for any program increase which would jeopardize the agency's sound financial status.
